

INDIASOFT 2021

We are happy to announce the 21st edition of ESC's flagship event – INDIASOFT – International IT Exhibition & Conference to be held on **March 24-25, 2021** at New Delhi. 20th edition of Indiasoft was a great success and we sincerely acknowledge your support to receive over 500 foreign buyers from 50+ countries to network with 200 Indian IT companies.

It is a matter of pride that despite all the current challenges, Indian IT industry is contributing to the growth of world economies as it has the inherent characteristics of being innovative and quickly responsive to changing market dynamics. India is seen as the source of IT destination where both the developed and emerging markets conglomerate for the development of software solutions and services.

Indiasoft 2021 will focus on new and innovative technologies and solutions from over 200 Indian companies from various important clusters of India participating at the event. The Indian IT companies will be showcasing world class software, solutions and services in various IT verticals including Customized Software Development, Artificial Intelligence (AI), AR/VR, Cyber Security, Cloud Computing, Blockchain, FinTech, Web & Mobile Application Development / Automation / Embedded Systems/ Digitization, Gaming & Animation etc. Further updates on the events will be updated regularly on the event website – www.indiasoft.org
